SDBI Scholarship Undertaking Letter

Dear Student,

Congratulations on being selected for the SDBI Data Science Scholarship 2025.

To continue receiving this scholarship during your course, you must follow the rules mentioned below. If any of these are not followed, the scholarship will be cancelled.

Scholarship Rules to Follow

Attendance:

- You must maintain at least 80% attendance in all lectures, labs, and college activities.

Academic Performance:

- The student must not have any ATKT (backlog or failure) in any semester examination during the same academic year.

College Participation:

- Take part in SDBI events, technical fests, seminars, and other college activities.

Placement Activities:

- Attend at least 90% of all placement training sessions.
- Compulsory participation in mock interviews is required.
